

Dear Partner:

X-treme Hoops Basketball Organization was established in February of 2010. Our program is currently part of the United States Specialty Sports Association (USSSA) and process of a joining membership with the Amateur Athletic Union (AAU). X-treme Hoops at this time consists of three basketball teams; (1) 15 years old and under (9th grade), (2) 16 years old and under (10th grade) and (3) 17 years old and under (11th grade). Despite our organization's youth, we have already tasted some success. Our 10th grade team has qualified for the USSSA National Tournament.

There are several sports programs in the area whose primary focus is developing the motivation to do well and excel in that particular sport. X-treme Hoops has a larger mission; enhancing athletic ability with promoting strong academic excellence and personal growth. This organization/program is designed to expose boys to excellent athletics as well as the tools that will enable them to grow into outstanding young men and adults.

We would like to ask you to join forces with X-treme Hoops Basketball in making a difference. Your gift will lessen the cost of expenses such as tournament entry fees, gym rentals, transportation to and from sanctioned events, and uniforms. Donations can be made to the JJ Vance Foundation (tax-exempt) with the request that it be directed to support X-treme Hoops Basketball.

We appreciate your consideration and thank you in advance for your partnership.

Regards,
X-TREME HOOPS ORGANIZATION
Richard Belton
